Urban League, Inc.**

Enterprise Rent-A-Car
The Urban League of Birmingham, Alabama
2010 Golf Tournament

Enterprise Rent-A-Car is proud to host the charity golf tournament to benefit the Birmingham Urban League. The Birmingham Urban League is a nonprofit, community-based, social service and civil rights organization and is an affiliate of the National Urban League, Inc. Their mission is to assist all racial and ethnic groups, particularly African Americans and the urban poor, in achieving social and economic equality. This is accomplished through the delivery of program services, research, advocacy and promoting racial inclusion. To learn more about the Urban League or to download registration details, log on to their web site at – www.birminghamurbanleague.net and click on Special Events.

The proceeds of this tournament will make a direct impact on the ability of the Urban League to deliver housing counseling, job training and youth development services and more importantly, it will benefit individuals right here in Birmingham! We believe this is a great cause and encourage you to participate as the Urban League celebrates 43 years of *Empowering Communities...Changing Lives*.

The golf tournament will be held at Riverchase Country Club on Thursday, May 6, 2010. The format will be a 4-person scramble and will begin at 1 p.m., with lunch being provided at noon. The driving range will be available from 11:00 a.m. to 1 p.m. All participants in the tournament will enjoy 18 holes of golf, a box lunch, golf cart, beverages and a great day of fun! Please review the sponsorship information and join our efforts in this worthwhile event!

Respectfully,

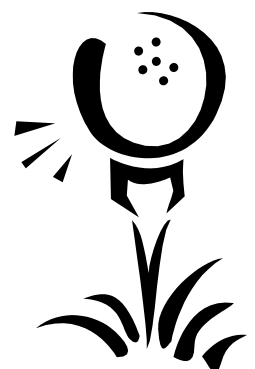

Chuck Carr
